Ronald Bolton

York County Astronomical Society

"Luna: A New World"

DESCRIPTION:

From first steps to planting a flag to collecting rocks, join Ron Bolton as he offers a glimpse of exploring a new world and how this mission impacted our world from politics to the science of how the moon was created.

BIO:

Ron Bolton is a member of the York County Astronomical Society where he currently serves as Treasurer. He is also the owner of Night Wonders of Astronomy which brings presentations and live sky viewing to groups of all ages. He is also a certified Astronomy Merit Badge Counselor with the Boy Scouts of America. Ron has a passion for educating young and old about the wonders of our universe.
